Description

PROCUREMENT ITEM - ONLY SOLD IN PALLETS OF 50 PCS.

JUMBO Fall Protection Ocean Plastic is an innovative and sustainable solution designed for scaffolding protection, especially during tasks like roofing work. The screen is made from recycled ocean plastic and comes in black. With two integrated handles, the fall protection screen is easy to handle and mount on the scaffold. In addition to providing protection on the job site, this product also contributes to the environment by reducing ocean plastic waste. Every kilogram of ocean plastic used in production saves approximately 2.1 kg of CO² in environmental impact. JUMBO Fall Protection Ocean Plastic is a special product that is only sold in pallets of 50 pieces.
